NOTE FOR: DDCI

FROM : DDI

SUBJECT : Shultz Request for Paper on "How Much
is Andropov in Charge?"*John -*

This responds to [] memo of 10 January on this subject. Attached is a clean copy of a draft paper already awaiting publication as an Intelligence Assessment. I believe it covers Shultz' request. We plan to have the IA on the street well before the end of the month. If you are agreed, I will either ensure that a copy of it is delivered to Shultz, or provide a copy to you for delivery, per your preference.
